**What is the K5 Store?**

The K5 Store is an incentive program that Central Kids uses to make the Kindergarten to 3rd Grade weekend experience even more exciting.

The store gives the opportunity to reward kids for things like attendance, doing God Time Cards, verse memory and participating in the activities. The store allows kids to be rewarded with nicer prizes and less candy, which we believe our families appreciate. The store also allows kids the opportunity to save up money to get bigger prizes, which builds the anticipation of a prize and teaches the value of saving.

**Since store is such a important part of our weekend programming for many of our kids we want our parents to know what is going on. At the beginning of each service kids are given "BUCKS" which are used as money at the store. No "BUCKS" will be given out after the lesson time has began. We encourage our kids or parents to keep these "BUCKS" so they have them on the last Saturday and Sunday of each month. Store will happen before dismissal of kids at the end of each service. There will be no shopping after store is closed.**
