

Central Christian Church
Central Kids
Student Volunteer Team

This application is for students from 6th Grade to High School who are interested in serving as volunteers in Central Kids (Children's Ministry). Applicants must be "Christ Followers," be willing to serve on a regular basis, and be willing to attend leadership trainings throughout the year. This is a team that we take very seriously in Central Kids and so we are looking for students who are committed and who have a heart to serve.

To apply simply complete the application (both pages) and return it to the Central Kids office. Once your application has been prayerfully considered we will contact you with more information.
