## CURRENT NEEDS:

Sleeping pillows, new school supplies (to be distributed the first week of August).

Volunteers are welcome and needed to help with sorting the various donations.

If interested in volunteering or making donations, please call Laura at 838-8528 or Paul at 425-0639.

Last week, a woman came to receive assistance for her four grand-children that would soon be living with her. She had just received word that she would be caring for them and did not have anything for them. HHH immediately provided toys and other items that the young children could use and will provide other items through the week. Thank you for your help in making these distributions possible.
